DETAILED ACTION

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: Claims 1-21 are allowed because the prior art fail to teach or fairly suggest a laser apparatus as claimed in claim 1 with the reasons indicated in Applicant's Response, received on 6/5/2006, pages 8-10, and as follows:

Regarding Clayton (US Publication No. 2002/0075935), Clayton discloses in Fig. 2-9A a monolithically integrated laser apparatus with an optically pumped VCSEL and pump laser. However, Clayton teaches away from the claimed invention with the temperature of the pump laser being greater than that of the VCSEL (see paragraph 0036).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
